

PET'NIGHT

Pet' Night is a natural sparkling wine, also known as a "Pétillant Naturel" in french, or "Pet Nat". It is made of Chenin Blanc and completes **La Ferme des Fontaines** range.

Grape variety : Chenin Blanc

Classification : Organic Wine

Harvest : The grapes are harvested by hand, carefully sorted on the vine and on a sorting table before pressing.

Vinification : Our **Pet'Night** is made according to the **"ancestral" method**.

This is one of the oldest methods for making sparkling wines.

The grapes are pressed in whole bunches to collect the juice.

After a very gentle cold settling, the alcoholic fermentation begins in vats, then the "juices" are bottled for the production of carbon dioxide or "*prise de mousse*".

Tasting : Seaside atmosphere or a taste of the countryside? Its "saline touch" will sublimate your seafood platter and you can even open another bottle for dessert, so much you appreciate its lightness (in alcohol).

Service : 9° C

Musical pairing: *A summer full moon night, warm and festive atmosphere*

Neil Young - Harvest Moon
